The copyright transfer covers the exclusive right to reproduce and distribute the article, including reprints, translations, photographic reproductions, electronic form (online) or any other reproductions of similar nature.

The undersigned represents and warrants that the paper is original and she/he is the author of the paper, except for material that is clearly identified as to original source, with permission notices from the copyright owners where required. The undersigned represents that he/she has the power and authority to make and execute this assignment.

We declare that:

1. This paper has not been submitted anywhere else for publication prior to acceptance/rejection by this journal.
2. This paper has not been published in the same form elsewhere.
3. Copyright information is obtained for materials published elsewhere and which require this permission for reproduction.

Authors reserve all proprietary rights other than copyright, such as patent rights and the right to use all or part of this article in future works of their own. The authors retain the right of replication, subject only to crediting the original source of publication and receiving written permission from the publisher.

The corresponding author signs for and accepts responsibility for releasing this material on behalf of all co-authors.

Yours truly,
